## ALFONSO FACED WITH MINISTERIAL CRISIS

MADRID, Oct. 27.—King Alfonso spent many hours Sunday interviewing political leaders and trying to find a solution for the ministerial crisis brought about by the rejection of a vote of confidence in the government Saturday at the opening of the Spanish parliament and the resignation of Premier Romanones and his cabinet. The king, who believed that the maintenance of the liberals in power is essential to the welfare of the country at the present moment, exhausted all arguments in a vain endeavor to induce the adherents of Count Romanones and Marqués de Prieto, leaders of the dissident liberals to patch up the split in the party. He was therefore obliged to summon the conservatives, Antonio Maura, ex-premier and leader of the conservative party declined the task of organizing a cabinet. The king then sought Señor Dato, ex-president of the chamber of deputies, who accepted provisionally and will give a definite answer tomorrow.

## 10 CENT "CASCARETS" IS YOUR LAXATIVE

Best Liver and Bowel Cleanser and Stomach Regulator Known.

Get a 10-cent box. Put aside—just once—the Salts, Pills, Castor Oil, Purgative Waters which merely force a passage-way through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, biliousness, coated tongue, indigestion, sour stomach or constipated bowels. Cascarets belong in every household. Children just love to take them.—Advt.

## PASTOR TAKES FLING AT DOUBLE DEALINGS

Dual Dealings in Politics As Well as Other Lines He Says Are Evidence of Low Ebb.

Veiled hints at the recent alleged double dealing in the present political campaign were made by the Rev. G. W. Henry of the First Christian church in his sermon Sunday morning. "An Entry from the Chronicle of Heaven" was the title of the talk and he compared the present day corruption with that of the days of Malachi.

He told of the insincere sacrifices made by the people of that time and how Malachi warned them of their treachery to each other. In discussing the question Rev. Mr. Henry said: "Religion that is real means the square deal in all vital relationships. Double dealing and insincerity in political, business, social, church and family life are evidences of a low ebb of religion. Modern morals are dulled and there is no proper feeling toward the masses."

"In Malachi's time they were spending their tithes for their own comfort and in doing so were robbers of God's own house."

Rev. Mr. Henry said men who worshipped gold were deaf to the appeals of God's house; that their religion was low. He said that a man whose religion was at blood heat was an active partner in the work of the Lord.

## NILES

The Skalla Bros. furniture factory burned to the ground at an early hour Friday morning. The fire was discovered shortly after 1 o'clock and the building was then a mass of flames from spreading to the closely adjoining residence district. The loss is placed at about \$20,000 by members of the firm Sunday. An insurance of \$3,000 was carried as the factory was not considered a good risk on account of its location and the highly inflammable products used in the finishing rooms. The fire was the third within as many years and each time the origin was unknown and each time great damage was done. The fire found the factory in a practically new condition as it had been almost rebuilt since the last disastrous blaze.

Frank Graves post, No. 44, has been reorganized in Niles after having been disbanded for several years. Hillis Smith was elected commander. Vice commanders, William Lambertson and E. D. Lombard; chaplain, J. E. Harder; quartermaster, Robert Walton; officer of the day, William Forrest; officer of the guard, James McOmber. The charter membership was 22.

A later date officers will be installed and grand officers of Michigan will come to Niles for this purpose.

Mr. and Mrs. E. J. Coy are entertaining Mrs. Elizabeth Hooper of Seattle, Wash., Mr. and Mrs. Frank Crumb of Elkhart and Mrs. T. J. Edwards of Dowagiac.

## JURY OF PHYSICIANS BRIGHTS DISEASE

"They were not genuine cases of Bright's disease," then how about cases like this: R. C. Pell, cor. Broadway and Battery Streets, is manager of one of San Francisco's big corporations. His son had Bright's disease. The father had two different physicians, one of them an Army Surgeon, on the case. Patient was greatly swollen with dropsy and the doctors declared the case Bright's and incurable. He thereupon put the patient on Fulton's Bright Compound. He began to mend and in six months was well. The father could hardly credit it and had two different physicians examine the patient and analyze the samples. Both reported it normal.

This a jury of physicians decided and was incurable and another jury of physicians later determines his recovery, as to permanence, this was eight years ago and the patient is now in business in San Francisco.

If you have Bright's disease do you not owe it to yourself and family to try Fulton's Bright Compound before giving up? It can be had Woods and Strobel, Public Drug Store.
